TO WHOM IT MAY CONCERN

Letter of Reference

USSC is an offshore platform, owned by ADNOC, where from October 2017 a Waste Treatment system Converter NV100 is installed. The crew is using Converter NV100 every day to treat waste created by the kitchen and cabins. The daily load is approx. 200 kg. Converter NV100 is produced by OMPECO, Italy.

Regards,

Salem M. Salem
Manager Maintenance (US)
